DIPLOMA COURSE IN OPHTHALMIC ASSISTANCE (DOA)

**APPROVED BY GOVT. OF KERALA
(vide G.O. M.S. No. 282/2012/H & FWD
dated 25..08..2 012)**

AND

DIPLOMA COURSE IN OPTOMETRY (D.Opt.)

**CONDUCTED BY:
ARADHANA EYE INSTITUTE**

THE TRUST

Aradhana Trust is a charitable Trust, founded by Drs. Philip and Sara Kuruvilla, registered with the Government of Kerala. The chief aim is to give preventive and curative eye care to the people in and around Trivandrum. The main Centres of activity are Aradhana Eye Institute, Manacaud, Trivandrum, Aradhana Eye Hospital at Padmavilasom Road, Fort, Trivandrum and Aradhana Eye Clinic at Vattappara. The Trust is also committed to train personnel for ophthalmic care.

All leading Eye care centers in India and abroad require trained personnel for doing routine eye tests, operating sophisticated investigational and therapeutic gadgets, operation theatre assistance, supporting nursing services etc. The courses are designed to bridge the gap between the demand and availability of skilled human resource in this vital area. Naturally it follows that more career opportunities will be created.

THE COURSES

- (1) **DIPLOMA COURSE IN OPHTHALMIC ASSISTANCE RECOGNIZED BY THE GOVT. OF KERALA** for students of Indian Citizens of Kerala origin who have passed Higher Secondary, VHSE, +2 or equivalent examination with Physics, Chemistry and Biology as elective with a minimum of 40% marks put together. This is a 2 year course. After the course one year internship is strongly recommended, but optional.

There are 10 seats for this course. Allocation of five seats is by the management (Management Quota) and the rest of the five will be by the Kerala Government according to rank obtained by the candidate.

- (2) **DIPLOMA COURSE IN OPTOMETRY RUN BY ARADHANA EYE INSTITUTE** for students of any origin who have completed +2 or equivalent examination. This is a 2 year course. After the course one year internship is strongly recommended, but optional.

For this course, all candidates are selected by the Management.

There is no guarantee for admission for internship in Aradhana Institutions for either of the courses.

OTHER ELIGIBILITY CRITERIA for the course:

1. Seats are available only for ladies.
2. The candidates must be physically fit.
3. The applicants shall have completed 17 yrs. of age as on 01.01.2022.
4. The final selection will be based on a written test and an interview for the management quota of seats.

RULES RELATING TO DISCIPLINE / RESPONSIBILITIES

1. All students are required to attend the hospital throughout the course.
2. Students will be posted to attend special duties in the wards, operation theatre, OPD and outreach programme of the hospital and peripheral hospitals for practical training in rotation. **This includes night duties.**
3. Every student is required to attend lecture and practical training. A minimum of 80% attendance is required for eligibility to be sent up for examination.
4. **Leave**
 - a) One day off per week.
 - b) Students are discouraged from taking leave. 25 days of leave per year are allowed including national holidays/ hospital holidays & hartharal days and for illness.
 - c) No extra sick leave is permissible.
 - d) Student will not be sent up for examination if leave taken, is more than 25 days per year.
 - e) As hospital comes under “essential services” to people, the hospital will work on all hartharal days. Students are required to come to hospital on all hartharal days.

Application for leave must be submitted to the office well in advance and the applicant should avail leave only after the leave is sanctioned except in special emergency circumstances.

The students are expected to mark their attendance daily in the register/machine.

5. Uniform

All students are expected to be in uniform during duty hours.

6. All students shall record their local and permanent residential address in the office. Change in address, if any, shall be intimated immediately.

7. Students are not supposed to loiter in or outside the premises, nor can they bring friends into the campus without permission.

8. Students must not obtain employment elsewhere in any capacity during their training period. No student can enroll for any other course, degree etc., during the student period without prior permission from the authorities.

9. Students are not permitted to use mobile phones during duty hours. However they can see SMS messages.

10. **Record Book**

Practical work like refraction / retinoscopy and theatre/OPD techniques is an important part of the course. Each student is required to have done at least 50 retinoscopy/ refraction under the supervision of an Ophthalmologist / Senior Optometrist. Practical record book containing the above information is to be submitted during the practical examination.

11. During internship, stipend will be given as decided by the management.

12. Infringement of rules and regulations, breach of discipline, willful damage to the institution property, misconduct or disobeying the legitimate orders of Director/Teachers by a student, may make her liable for strict disciplinary action as per the rules of the institution, which may even amount to expulsion from the institution.
